- CEJA Grant Updates - Received confirmation that we got the 3rd CEJA grant. Asked for more yrs. for 2 positions, if all works right over time, should have 2 positions until 2032.
- Simulators at River Run - working on contract with RR. Have put us on the schedule for a late April installation at RR. Cory still figuring out the ceiling issue.

NEW BUSINESS:

- Joe Hibbetts fixed drop ceiling in Gym caused by an old drop ceiling above the one we see, getting wet in the ice jam last month & falling. Did a great job.
- Credit card company gave Pat his own # which caused 3 months of problems with their accounting. I believe we are finally through it, but now we have 2 separate accounts to pay (when Pat purchases something).
- Working on securing the Bands for this year, have 2 and made offer to 3rd. Wrote Community Foundation Grant and sent emails to other sponsors.
- Have \$3,475 from Davidage Memorial to spend on also bringing in some local bands for other weekends. Will do that next. Suggestions?
- Debating refilling CJ's Maintenance position with a part time position to save money.
- Discussion on our first insurance / workers comp audit
- Got full invoice from IPARKS after adding almost \$800,000 of new items to insure. Went from \$47,000 to \$60,000. Made a decision to up our deductible from \$1,000 to \$5,000 which brought the invoice down to \$54,175.
